

Welcome to the May newsletter from SKIPPER Electronics AS.

SKIPPER Electronics on Nor-Shipping

SKIPPER Electronics will be present during Nor-Shipping in Lillestrøm, Norway (30.05.2017 - 02.06.2017). Our booth will be situated in Hall B (B05-25). We will display the new doppler speed logs (DL1, DL2 and DL21). In addition you are able to see our new upcoming Echo Sounder - the SKIPPER ESN100. Please book a meeting at sales@skipper.no.

SKIPPER Compact Multirepeater

The SKIPPER Compact Multirepeater (CD401MR-SB) has been a great success. It is designed for use with SKIPPER products together with products from other manufactures, when these have an NMEA 0183 output.

SKIPPER Compact Multirepeater will be able to display through NMEA0183:

- **Depth**, below surface, keel and transducer
- **Speed**, over ground and through water (longitudinal, transverse, aft and relative)
- **Distance**, total/trip for both distance over ground and through water
- **Heading**, true, magnetic and relative
- **Rotation**, rate of turn and direction
- **Pitch and roll**, bow position and starboard/port heel
- **Wind**, speed and direction (true, magnetic and relative)
- **Temperature**, water and air
- **Drive**, RPM, propeller pitch and rudder position
- **Clock**, UTC, local time and expected time of arrival (ETA)

The dimensions of the display are only 144x144mm.

The SKIPPER Compact Multirepeater will also be able to be dimmed as all SKIPPER repeaters with an external dimmer (IR30DIM-SA).

For more information enter this web site: <http://www.skipper.no/repeaters/138-compact-multi-repeater-cd401mr-sb>

SKIPPER Electronics will be closed the following days:

25. May
5. June

Company Evaluation

SKIPPER would like your feedback regarding our products and service. The evaluation will take 2 minutes. Please enter the evaluation here: <http://www.skipper.no/company-evaluation>
