Release of the new SKIPPER DL1 Single Axis Doppler Speed Log:

During Nor-Shipping 2013 SKIPPER will release the new DL1 Single Axis Doppler Speed Log. The sensor will fit to the same bottom mounting as for the EML224. That means it is possible to install the SKIPPER DL1 in Sea valve for double and single bottom together with Steel Tank and Aluminium Tank.

[Please read more regarding the new SKIPPER DL1 here!](#)

SKIPPER Electronics at Nor-Shipping 2013:

We are pleased to announce that we will be present at Nor-Shipping in Lillestrøm, Norway 3-6 June 2013.

SKIPPER will be presented at **B04-13**, and please feel free to visit our stand. The new SKIPPER DL1 will be displayed and you will be able to see how the SKIPPER ES1 Echo Sounder will look like on a touch screen! Other SKIPPER products will also be present.

Please send meeting requests to sales@skipper.no.

SKIPPER pricelist 2013:

The retail pricelist is now removed from the web page www.skipper.no. If you need our pricelist please send an e-mail to sales@skipper.no.

Company evaluation

SKIPPER would like your feedback regarding our products and service. The evaluation will take 2 minutes. [Please access the evaluation here!](#)
