

Welcome to the October edition of the SKIPPER Newsletter.

## Sales

### Follow SKIPPER on Facebook:

Join SKIPPER on Facebook with this link: <http://www.facebook.com/groups/374685331159/>

### The SKIPPER DL1 Multi:

The DL1 Multi is now approved with MED-B certificate. This is the LAN edition of the SKIPPER DL1 and will be available for delivery in January 2014. This is the first product in the new Multi line of SKIPPER products. All the SKIPPER Multi products will introduce LAN connections. [Please read more regarding the new SKIPPER DL1 Multi here!](#)

### SKIPPER success at INMEX India:

SKIPPER was represented at INMEX India at the NORINCO stall. It was a great exhibition with important visitors from all over India.

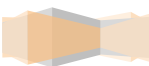

### DL850 540 kHz version is now discontinued:

The 540 kHz version of the DL850 Speed Log is now discontinued, but we will still be able to serve existing customers with spare parts for several years to come. The 270 kHz version of the DL850 is still available and in full production!

### Company evaluation

SKIPPER would like your feedback regarding our products and service. The evaluation will take 2 minutes. [Please access the evaluation here!](#)
