The IMO Wheelmark approval for the SKIPPER DL1:

During Nor-Shipping 2013 SKIPPER received the IMO Wheelmark for the SKIPPER DL1 Single Axis Doppler Speed Log. The approval is here presented (from left to right) by Anne-Karin Fosen Bjerkestrand, Geir Theodorsen and Paul Connelly.

[Please read more regarding the new SKIPPER DL1 here!](#)

SKIPPER Electronics at Nor-Shipping 2013:

The Nor-Shipping exhibition was a great success. It seems like all our customers are satisfied with the development going on at SKIPPER. The upcoming products were introduced with LAN and touch displays as highlights, and it seems like SKIPPER is on right track for these products.

SKIPPER Electronics present at Navalshore, Brazil:

SKIPPER will be present during the Navalshore exhibition in Rio De Janeiro, Brazil (13-15. August 2013). Please take contact on sales@skipper.no if you would like to arrange for a meeting during this exhibition.
