

Welcome to June edition of SKIPPER Newsletter.

## Sales

### **Nor-Shipping in Norway:**

We would like to thank everybody visiting our stand during the Nor-Shipping exhibition. The exhibition was a great success with several visitors, and we are already looking forward to the next exhibition in 2013.

### **New Service HUB in Spain:**

Aage Hempel Marine Electronics has now signed an agreement as SKIPPERS Service HUB in Spain, Portugal and Morocco. Aage Hempel will therefore keep a number of spares on stock, and will be able to do service/support effectively in the Mediterranean for SKIPPER Electronics.

SKIPPER would therefore use this opportunity to thank Aage Hempel as the newest Service Hub and feel this will be a great support for SKIPPER.

Please follow [www.skipper.no](http://www.skipper.no) for updates on the spares they will keep on stock and see [www.aagehempel.com](http://www.aagehempel.com) for further information on Aage Hempel Marine Electronics.

### **Service Course in Miami:**

SKIPPER did a Service Course in Miami the last week of May and this was a success.

### **New software on DL850 Doppler Speed Log:**

Skipper development is now releasing new software for Doppler systems with a number of new features:

- Built in test (BIT)
- New updated status screen
- Special features

These added functions are available on SW 4.03.00 for 270 kHz and 4.01.31 for the 540 kHz system.

For a full overview of the changes please see the latest manual on SKIPPER web pages.

**Technical/Service news**

If you would like to attend any of the below training courses you need to register as fast as possible. The courses are already starting to get filled up.

**Schedule for SKIPPER Electronics service trainings 2011:**
