Intended for

First date of inspection

O1 August 2016

Final date of inspection

O1 August 2016

This certificate is issued to the above Client to certify that the valve(s) described herein, were inspected at the manufacturer's works, tested by hydraulic pressure to the pressures stated below, found tight and sound and, so far as could be seen, free from defect.

Tests on material representative of that used in the valve bodies, where required by LR's Rules and Regulations, have been **reviewed** and the results found satisfactory.

Particulars

Valve body material (Cast steel, forged steel, etc)

Stainless

Stainless			
Number of Items	Size	Description	Test Pressure
